LAST SATURDAY AT THE SUPER TRACK

CROW SETS NEW QUALIFYING RECORD
NICKOLAI, RAYBURN, FRIDAY, KELLEY & BOLIO SCORE WINS

Hobby stock point leader Brian Kelley became the first driver in any division to win his sixth main event of the year Saturday night at Saugus Speedway. Thad Friday won for the second time in the other hobby stock feature while street stock victories went to Steve Nickolai with his second win and Craig Rayburn with his fourth. Finally, Joey Bolio won the Jalopy feature over the largest field in that division's history.

Saturday also marked the end of the oldest record among Saugus Speedway's regular classes. Since June 20, 1987 the street stock oval record has stood at 18.62 seconds as set by former champion John Cran. This record was finally broken by rookie street stock driver Rick Crow who blistered a lap at 18.54 seconds.

Street stock point leaders Nickolai and Dale White Jr. started on the front row for the 25-lap street stock oval main event and moved into first and second respectfully at the start. The leaders ran close through most of the race with seventh starting Rip Michaels up to third by halfway. In the final half off the race, Michaels pressured White hard for third allowing Nickolai to open enough of a lead over White to run all the way in the lead to the checkered flag. White just did hang for second by a fender over Michaels. Rayburn was fourth with Russ Beckers fifth.

Although no one knew it at the time, as the cars lined up for the 15-lap street stock figure 8 main, the top six finishing positions would be the same as they started in the straight up field. Rayburn started from the pole as the fastest qualifier and led a four car breakaway consisting of himself, Beckers, Eric Foster and Nickolai. Top four ran fairly close throughout the race, however, no positions changed on the way to the checkered. Kenny Wilson start and finished fifth with White doing the same in sixth.

For the 25-lap hobby stock oval main event, fastest qualifiers Thad Friday and Brian Kelley started in the sixth row as Mark Nadeau led from the pole in Butch Selig's normal ride. Nadeau held the lead until lap six when Roy Johnson grabbed the lead with Joe Barreras Jr. up to second and Kelley and Friday moved into third and fourth. On lap fifteen the standings shuffled as the top four battled for the lead. Barreras took over the lead as Friday moved from fourth to second with Kelley still third and Johnson back to fourth. Two laps later, Friday passed Barreras for the lead. Kelley then moved to second after two more laps and ran down Friday. Friday and Kelley ran nose to tail for the remaining laps with Friday holding on for the win. In a scramble in the final laps for third on back, Scott Wade came through for third followed by Shannon Flavin who recovered from a early race spin to take fourth and James Kusch fifth.

The 15-lap hobby stock figure 8 main event started where the oval finished with Friday and Kelley side-by-side on the front row. Friday jumped to the lead at the start only to be passed by Kelley on lap two. Two laps later Friday was spun by Barreras entering turn three. Both cars retired to the pits out of the race. After a red flag to tow off Friday, Kelley cruised easily through the remaining laps to record the victory. Kusch finished second with James Gunnarson third, Jeff Drummen fourth and Wade fifth.

A record setting sixteen cars lined up for the Jalopy oval main event which saw Oscar Sevilla and Kerry Mulligan lead early before Andrew Debiasio took over the lead on the fourth circuit. Debiasio stretched out to a healthy lead but on lap ten when spun on his own in turns one and two. Robert Wade took over the lead, but Joey Bolio, who started fourteenth, was just behind and a lap later Bolio took over the lead and went on to victory. Wade held on for second with Mulligan third, David Borquist fourth and Sevilla fifth.
